STAT 10. [ ] Miss Sally Gaston, in the office of Representative William Widnall (R., N.J.), called referring to the case of Mr. George Carver and requested the number of Agency employees who had written articles without identifying themselves as employees of this Agency. After determining that this was a constituent request and that Miss Gaston was fully aware that this was a loaded question, it was agreed that we would provide her some language for a suitable reply.

STAT 11. [ ] Mr. John Diffenderfer of the House Republican Conference called and requested a copy of the Sihanouk speech of 10 March evaluating the relationship between the VC and the Hanoi regime. Mr. Diffenderfer also requested that the House Republican Conference be placed on distribution for a copy of [ ]  
These requests have been referred to [ ]
